

The Dakota Homestead

Urban Homestead Foundation was founded in 2016 by a group of West Seattle neighbors who have come together to raise the funds to purchase the former Seattle City Light property at 50th Ave SW & SW Dakota St. Our initial vision is to transform the property into a neighborhood gathering space based on urban agriculture that inspires, engages, and educates people of all ages in our community, retaining it as a community asset.

We want to hear from YOU and how YOU would like to see this property used.
